Explanatory statement pursuant to section 102 (1) of the companies act, 2013:**Item No. 3 of the Notice****Appointment of Statutory Auditor of the Company**

After evaluating and considering various factors such as industry experience, competency of the audit team, efficiency in conduct of audit, independence, etc., the Board of Directors of the Company ('Board') has, based on the recommendation of the Audit Committee, proposed the appointment of S D Y & Co., Chartered Accountants (FRN: 016850C), as the Statutory Auditors of the Company, for the consecutive term of five years from the conclusion of 62nd AGM till the conclusion of 67th AGM of the Company to be held in the year 2030, at a remuneration as may be mutually agreed between the Board and the Statutory Auditors.

S D Y & Co. have consented to their appointment as the Statutory Auditors and have confirmed that the appointment, if made, would be within the limits specified under Section 141(3)(g) of the Act and that they are not disqualified to be appointed as the Statutory Auditors in terms of the provisions of Section 139 and 141 of the Act and the Rules framed there under.

The Board, in consultation with the Audit Committee, may alter and vary the terms and conditions of appointment, including remuneration, in such manner and to such extent as may be mutually agreed with the Statutory Auditors.

None of the Directors, Key Managerial Personnel or their respective relatives are, in any way, concerned or interested, financially or otherwise, in the Resolution at Item No. 3 of the accompanying Notice.

Based on the recommendation of the Audit Committee, the Board recommends the Ordinary Resolution set forth at Item No.3 of the Notice for approval by the Members.

Item No. 4 of the Notice**To appoint Secretarial Auditor of the Company**

In accordance with the provisions of Section 204 and other applicable provisions of the Companies Act, 2013, read with Rule 9 of the Companies (Appointment & Remuneration of Managerial Personnel) Rules, 2014 (including any statutory modification(s) or re-enactment (s) thereof, for the time being in force) ('the Act'), every listed company and certain other prescribed categories of companies are required to annex a Secretarial Audit Report, issued by a Practicing Company Secretary, to their Board's report, prepared under Section 134(3) of the Act. Furthermore, pursuant to recent amendment to Regulation 24A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations'), every listed entity must appoint a Secretarial Audit firm for a maximum period of two terms of five consecutive years, with shareholders approval to be obtained at the Annual General Meeting.

SEBI (Listing Obligations and Disclosure Requirements) (Third Amendment) Regulations, 2024 as notified on 12th December, 2024, provides that appointment of Secretarial Auditor will be made for a term not exceeding five consecutive years in case of individual Secretarial Auditor and not more than two terms of five consecutive years in case of appointment/reappointment of a Secretarial Audit Firm and all such appointment/reappointments will be subject to approval of the shareholders of the Company in the Annual General Meeting of the Company.

The Board at its meeting held on August 13, 2025, based on recommendation of the Audit Committee, after evaluating and considering various factors such as Industry experience, competency of the audit team, efficiency in conduct of audit, Independence, etc., has approved the appointment of Appointment of Mr. Sital Prasad Swain, Practicing Company Secretary, (Membership No. F6338, CP

No. 6814), (Peer review Number 6863/2025) as Secretarial Auditor of the Company for a term of 5 consecutive years commencing from FY 2025-26 until FY 2029-30, subject to approval of members. Furthermore, in terms of the amended regulations, Mr. Sital Prasad Swain has provided a confirmation that he has subjected himself to the peer review process of the Institute of Company Secretaries of India and holds a valid peer review certificate and that he has no conflict of interest. He has provided his consent to act as the Secretarial Auditor of the Company and has confirmed that the proposed appointment, if made, will be in compliance with the provisions of the Act and the SEBI Listing Regulations.

None of the Directors, Key Managerial Personnel or their respective relatives are, in any way, concerned or interested, financially or otherwise, in the Resolution at Item No. 4 of the accompanying Notice.

Based on the recommendation of the Audit Committee, the Board recommends the Ordinary Resolution set forth at Item No.4 of the Notice for approval by the Members.

Item No. 05 of the Notice

NOMINATION AND REMUNERATION POLICY

This Nomination and Remuneration Policy is being formulated in compliance with Section 178 of the Companies Act, 2013 read along with the applicable rules thereto and Regulation 19 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. This policy on nomination and remuneration of Directors, Key Managerial Personnel and Senior Management has been formulated by the Nomination and Remuneration Committee (NRC or the Committee) and has been approved by the Board of Directors.

DEFINITIONS:

“Remuneration” means any money or its equivalent given or passed to any person for services rendered by him and includes perquisites as defined under the Income-tax Act, 1961;

“Key Managerial Personnel” means:

- i) Managing Director, or Chief Executive Officer or Manager and in their absence, a Whole-time Director;
- ii) Chief Financial Officer;
- iii) Company Secretary; and
- iv) such other officer as may be prescribed.

“Senior Managerial Personnel” mean the personnel of the company who are members of its core management team excluding Board of Directors. Normally, this would comprise all members of management of rank equivalent to General Manager and above, including all functional heads.

OBJECTIVE:

The objective of the policy is to ensure that:-

- To lay down criteria and terms and conditions with regard to identifying persons who are qualified to become Directors (Executive and Non-Executive) and persons who may be appointed in Senior Management and Key Managerial positions.
- To determine remuneration based on the Company's size and financial position and

trends and practices on remuneration prevailing in peer companies.

- the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the company successfully;
- to retain, motivate, promote talent and to ensure long term sustainability of talented managerial persons and create competitive advantage.
- relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

APPOINTMENT AND REMOVAL OF DIRECTOR, KEY MANAGERIAL PERSONNEL AND SENIOR MANAGEMENT

- a) The Committee shall identify and ascertain the integrity, qualification, expertise and experience of the person for appointment as Director, KMP or at Senior Management level and recommend his / her appointment, as per Company's Policy.
- b) A person should possess adequate qualification, expertise and experience for the position he / she is considered for appointment. The Committee has authority to decide whether qualification, expertise and experience possessed by a person is sufficient / satisfactory for the position.
- c) Appointment of Independent Directors is subject compliance of provisions of section 149 of the Companies Act, 2013, read with schedule IV and rules there under.

- d) The Company shall not appoint or continue the employment of any person as Whole-time Director who has attained the age of seventy years. Provided that the term of the person holding this position may be extended beyond the age of seventy years with the approval of shareholders by passing a special resolution.
- e) The Director, KMP and Senior Management Personnel shall retire as per the applicable provisions of the Regulations and the prevailing policy of the Company. The Board will have the discretion to retain the Director, KMP, Senior Management Personnel in the same position / remuneration or otherwise even after attaining the retirement age, for the benefit of the Company.

TERM / TENURE

a) Managing Director/Whole-time Director:

- i. The Nomination and Remuneration Committee shall identify a person according to the requirements of the Company for the above position and recommend their appointment to the Board including the terms of appointment and remuneration.
- ii. The Board shall consider the recommendation of the NRC and accordingly approve the appointment and remuneration. The appointment of MD, JMD, WTD shall be subject to the approval of the Shareholders.
- iii. Appointment of other employees will be made in accordance with the Company's HR Policy.

The Company shall appoint or re-appoint any person as its Executive Chairman, Managing Director or Executive Director for a term not exceeding five years at a time. No re-appointment shall be made earlier than one year before the expiry of term.

b) Independent Director:

An Independent Director shall hold office for a term up to five consecutive years on the Board of the Company and will be

eligible for re-appointment on passing of a special resolution by the Company and disclosure of such appointment in the Board's report.

No Independent Director shall hold office for more than two consecutive terms of upto maximum of 5 years each, but such Independent Director shall be eligible for appointment after expiry of three years of ceasing to become an Independent Director.

Provided that an Independent Director shall not, during the said period of three years, be appointed in or be associated with the Company in any other capacity, either directly or indirectly.

At the time of appointment of Independent Director it should be ensured that number of Boards on which such Independent Director serves is restricted to seven listed companies as an Independent Director and three listed companies as an Independent Director in case such person is serving as a Whole-time Director of a listed company or such other number as may be prescribed under the Act.

EVALUATION

The Committee shall carry out evaluation of performance of Director, KMP and Senior Management Personnel yearly or at such intervals as may be considered necessary.

REMOVAL

The Committee may recommend with reasons recorded in writing, removal of a Director, KMP or Senior Management Personnel subject to the provisions and compliance of the Companies Act, 2013, rules and regulations and the policy of the Company or by the Board on its own if the person commits a breach of the duties, functions and responsibilities or obligations on any reason prescribed by the law or AOA or the Listing Agreement or for reason of poor performance as measured as a result of performance evaluation.

POLICY FOR REMUNERATION TO DIRECTORS/ KMP/ SENIOR MANAGEMENT PERSONNEL

1) Remuneration to Managing Director:

- a) The Managing Director shall be eligible for remuneration as may be approved by the Shareholders of the Company on the recommendation of the Committee and the Board of Directors. The Remuneration/ Commission etc. to be paid to Managing Director shall be governed as per provisions of the Companies Act, 2013 and rules made there under or any other enactment for the time being in force and the approvals obtained from the Members of the Company.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

1. INDIA'S TRADE AND ECONOMIC OUTLOOK

In an era marked by escalating global trade tensions and persistent geopolitical uncertainties, the Indian economy has demonstrated remarkable resilience and robust growth. The above findings are from Reserve Bank of India's March 2025 bulletin which highlights the state of the economy in the country. The latest data-driven analysis underscores the strength of domestic fundamentals amidst a volatile global backdrop. While global economic uncertainties persist, India's economy shows strong growth, supported by robust consumption and government spending. Inflation has moderated, and policy measures have helped stabilize market liquidity. However, foreign portfolio outflows and currency depreciation remain key risks.

Domestic Economic Developments

Resilient GDP Growth Amidst Global Challenges •

India's GDP is projected to grow by 6.5% in FY 2024-25, according to NSO's Second Advance Estimates.

- Quarter 3 GDP growth was 6.2%, rebounding from 5.6% in Q2 due to higher private consumption and government spending.
- Sectors driving growth: construction, trade, and financial services.

Foreign Portfolio Outflows & Currency Risks

- Sustained foreign portfolio investor (FPI) outflows put pressure on stock markets and the rupee.
- However, domestic investors increased their holdings, stabilizing market ownership structures.
- Rupee depreciation risks remain due to external uncertainties.

Inflation Trends: Headline Inflation Eases

- CPI inflation fell to a 7-month low of 3.6% in February 2025, mainly due to a decline in vegetable prices.
- However, core inflation (excluding food & fuel) rose to 4.1%, indicating persistent price pressures.
- Employment Trends
- Manufacturing employment grew at the second-fastest rate since the PMI survey began.
- Services sector employment also expanded significantly, reflecting strong demand.
- Urban unemployment remains at a historic low of 6.4%.

Trade & External Sector

Import and Export Trends

- Exports grew marginally by 0.1% to \$395.6 billion from April 2024-Feb 2025 but merchandise exports declined by 10.9% YoY in February, largely due to base effects and weak global demand.
 - Top-performing export sectors: electronics, rice, and ores.
 - Weak export sectors: petroleum products, engineering goods, chemicals, and gems & jewellery.
- Imports increased by 5.7% to \$656.7 billion, driven by gold, electronics, and petroleum during April 2024-Feb 2025, however it fell by 16.3% in Feb 2025, leading to a narrowing trade deficit.
- Oil and gold imports dropped significantly, contributing to the decline in overall imports.
 - Imports of electronic goods and machinery remained strong, reflecting domestic investment demand.

Financial & Monetary Policies

RBI's Liquidity Management

- RBI used open market operations (OMO), daily repo auctions, and dollar/rupee swaps to manage liquidity.
- These measures helped stabilize domestic liquidity despite capital outflows.

Sector-Specific Developments

Agriculture Sector

India's food grain production for 2024-25 is estimated at 330.9 million tonnes, marking a 4.8% increase from 2023-24, driven by kharif production up 6.8% and rabi up 2.8%, according to second advance estimates.

Automobile Sector

- Car and motorcycle sales declined in February due to weaker demand.
- Tractor sales saw double-digit growth, indicating strong rural economy demand.

Infrastructure & Construction

- Toll collections and E-way bills recorded double-digit growth, signalling robust infrastructure activity.
- Government spending on infrastructure projects supported economic momentum.

Global Setting

Trade War & Tariffs Impacting Growth

- The global economy entered 2025 with strong momentum but is now slowing due to increased protectionism and trade restrictions.
- US-China tariff escalations could reduce US GDP growth by 0.6 percentage points in 2025 and shrink the economy by 0.3-0.4% in the long run.
- OECD lowered global GDP forecasts to 3.1% in 2025 and 3.0% in 2026 due to slowing demand.

Market Volatility & Currency Fluctuations

- US dollar lost gains made since November 2024 due to trade policy uncertainty.
- European bond yields surged as Germany and others increased military spending.
- Equity markets worldwide have been volatile, reflecting fears of slowing growth.

Commodity Markets & Inflationary Pressures

- Global oil prices fell 15% since mid-January 2025 due to reduced demand expectations.
- Gold prices hit a record high of \$3000

per ounce due to investor flight to safety.

- Food production outlook improved, with cereal production exceeding 2024 levels.

Overview

Despite global economic headwinds, India's growth remains stable at 6.5%, supported by strong domestic demand. Inflation is under control, though core inflation remains sticky, necessitating careful monetary management. Trade challenges persist due to weak global demand, but a narrowing trade deficit offers some relief. While foreign investor outflows pose risks, robust domestic investment provides resilience. The RBI's proactive policies have played a crucial role in stabilizing liquidity and inflation expectations. Overall, India's economy is well-positioned for growth, but uncertainties in global markets, financial volatility, and trade disruptions remain key risks. Sustained policy support and domestic resilience will be essential in maintaining economic momentum.

2. NBFC OUTLOOK

The growth trajectory for India's non-banking finance companies (NBFCs) is set with asset growth projected at 15-17% year-on-year (Y-o-Y) for FY25 and FY26, compared to 23% in FY24. Despite the slowdown, the projected growth remains above the decadal average of 14%, driven largely by core segments such as home and vehicle loans, according to CRISIL Ratings and Fitch.

The outlook for NBFCs in 2025 shows a period of strategic recalibration as they face a more challenging funding and regulatory terrain. However, the sector remains well-positioned to leverage its fundamentals and capitalise on emerging opportunities in a gradually stabilizing economic environment.

3. OPPORTUNITIES & THREATS

The RBI has been continually strengthening the supervisory framework for NBFCs in order to ensure sound and healthy functioning and avoid excessive risk taking. It has issued several new guidelines in the recent past.

The uncertainties and volatility in the financial market are a continuing threat to the organizational performance. However, the twin features of foresightedness and focused analysis of the market have challenged the threat of adverse performance.

As various factors are posing constant threats and high volatility in the Capital Markets, it appears beneficial to diversify the portfolio to reduce the risk and insulate from the vagaries of stock-market. Mutual Funds help to reduce risk through diversification and professional management. Therefore, the Company invests its surplus funds in debt/ equity oriented Mutual Funds. One of the biggest advantages of Mutual Fund investment is Liquidity. Open end funds provide option to redeem on demand, which is beneficial during rising or falling markets. The management is exploring other avenues of business.

4. FINANCIAL PERFORMANCE

The Company follows accrual basis of accounting under the historical cost convention. It has adopted Indian

6. RISKS AND CONCERNS

NBFCs in India operate in a dynamic and complex risk landscape comprising of plethora of challenges and opportunities. Indian NBFCs confront a multifaceted risk landscape that necessitates robust risk management practices, stringent regulatory compliance, and proactive adaptation to changing market conditions to ensure their stability and sustainability in this

dynamic environment.

Various risk management strategies employed by your company, and the strategies impact their financial stability and growth trajectory. Using a

combination of industry reports, annual financial data, regulatory frameworks, and case-based analysis, the study focused on the evolving role of risk governance in a post-crisis NBFC environment. Additionally, RBI's Scale-Based Regulation framework has played a crucial role in pushing NBFCs toward more structured governance and accountability. The NBFC sector's average GNPA reduction from 6.3% to 5.2%, along with CRAR improvement to 23.7%, serves as numerical evidence of better risk alignment in recent years.

Further, change in regulatory requirements for NBFCs from time to time, can have a bearing on the running of the Company. The overall economic fluctuations/ slowdown and its impact on service sector are also a cause of concern.

7. INTERNAL CONTROL SYSTEM

FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT

To the Members of RSD Finance Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of RSD Finance Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2025, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the Standalone Financial Statements, including a summary of Significant Accounting Policies and Other Explanatory Information. (hereinafter referred to as the "financial statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended (IND AS) and other accounting principle generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its total comprehensive income (comprising profit and other comprehensive income), changes in equity, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian accounting Standards (IND AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Materiality is the magnitude of misstatements in the standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in planning the scope of our audit work and in evaluating the results of our work; and to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), The Statement Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
- e) On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, with reference to standalone financial statements of the Company and the operating effectiveness of such controls refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Standalone Financial Statements.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirement of Section 197(16) of the Act, as amended. In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- (i). The Company does not have any pending litigations which would impact its financial position.
 - (ii). The Company has made provision, as required under the applicable law or Indian accounting standards (IND AS), for material foreseeable losses, if any, on long term contracts including derivative contracts.
 - (iii). There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - (iv). The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
 - directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or
 - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
 - (v). The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:
 - directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or
 - provide any guarantee, security or like from or on behalf of the Ultimate Beneficiaries; and
 - Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub – clause (iv) and (v) contain any material misstatement.
 - (vi). The Company has not declared any dividend during the year hence the compliance of Section 123 of the Companies Act 2013 is not required.

- (vii). Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further during the course of our audit, for the period for which the audit trail facility had been operational during the year, we did not come across any instance of audit trail being tampered with and the management has represented that the audit feature cannot be disabled. Company has preserved the Audit trail as per the statutory requirements of records retention.

Annexure B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of **RSD Finance Limited** ('the Company') as of 31 March 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the Management and directors of the Company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note-1

Corporate Information

RSD Finance Limited (the "Company") is a public limited company incorporated under the provisions of the Erstwhile Companies Act, 1956. The Company is engaged in fund-based activities like providing loans and advances, inter-corporate deposits, loans against securities and investments in shares and securities. The Company also carries out job work activities. The shares of the Company are listed on The Calcutta Stock Exchange Limited and Bombay Stock Exchange. The Company holds a certificate of registration from the Reserve Bank of India ("RBI") to carry on the business of Non-Banking Financial Institution ("NBFI") under the category of Non-Deposit taking Company.

Note-2

Summary of Significant Accounting Policies

2.1. Statement of compliance:

The financial statements have been prepared as a going concern in accordance with Indian Accounting Standards (Ind AS) notified under the Section 133 of the Companies Act, 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

2.2. Accounting Policies:

The financial statements have been prepared and presented in accordance with Ind AS under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair value at the end of each reporting period, as explained in the accounting policies mentioned below. Historical cost is generally based on the fair value of the consideration given in exchange of goods or services. The Company complies with the Accounting Standards issued by the Institute of Chartered Accountants of India and the relevant provisions of the Companies Act, 2013, to the extent applicable and directions prescribed by the Reserve Bank of India. The financial statements are presented in Indian rupees.

2.3. Use of estimates and judgments:

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amount of revenues and expenses for the years presented. Actual results may differ from the estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods affected.

2.4. Revenue Recognition:

The applicability of Ind AS 115, Revenue Recognition provides for a single model of accounting revenue from contracts with customers based on the identification and satisfaction of performance obligations.

Income and expenditure are accounted for on accrual basis, wherever ascertainable.

Dividend are recognised only when the right to receive is established

Interest Income is recognised as and when they become accrued.

2.5. Trade receivables:

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost less provision for impairment, if any.

2.6. Cash and cash equivalents:

Cash and Cash equivalents includes cash on hand, cheques and drafts in hand, balances with bank and deposits held at call with financial institutions. These do not include bank balances earmarked / restricted for specific purposes.

2.7. Investments and other financial assets:

(i) Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income. The Company reclassifies debt investments when and only when its business model for managing those assets changes.

(ii) Measurement

Financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets (other than financial assets at fair value through profit or loss) are added to financial assets, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

-Debt Instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the group classifies its debt instruments:

Amortised cost:

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in other gain or loss using the effective interest rate method.

Fair value through other comprehensive income (FVOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income FVOCI. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses and interest revenue are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised under other income. Interest income from these financial assets is included in other gain or loss using the effective interest rate method.

Fair value through profit or loss (FVPL):

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss is recognised in profit or loss and presented in the statement of profit and loss under other gain or loss in the period in which it arises. Interest or dividend income, if any from these financial assets is separately included in other gain or loss.

-Equity investments (other than investments in subsidiaries)

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments continue to be recognised in profit or loss as other income when the Company's right to receive payments is established. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value. Changes in the fair value of financial assets at fair value through profit or loss are recognised in other gain or loss in the statement of profit and loss.

-Equity Investments (in subsidiaries)

Investments in subsidiaries, associates and joint venture are carried at cost less accumulated impairment losses, if any.

(iii) Derecognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized.

Derivative financial instruments

The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

2.8. Financial liabilities

Classification: Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Initial Recognition and Measurement: Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss.

Derecognition: A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

2.9. Property, plant and equipment:

Property, plant and equipment are carried at cost of acquisition or construction less accumulated depreciation. The cost of fixed assets comprises of purchase price and all other attributable costs of bringing the assets to working condition for intended use.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the statement of profit and loss.

Transition to Ind-AS

On transition to IND AS, the company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at April 1, 2018 measured as per the previous GAAP and use that carrying value as deemed cost of the property, plant and equipment.

2.10. Depreciation:

On fixed assets, depreciation is provided on written down Value method. The rates of depreciation prescribed in Schedule II to the Companies Act, 2013, are considered as minimum rates.

Leasehold Land is not depreciated or amortized.

2.11. Trade and other payables:

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial period which are unpaid. They are recognised at their fair value.

2.12. Impairment of non-financial assets

At the end of each reporting period, the Company reviews the carrying amounts of its assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the statement of Profit and Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the statement of Profit and Loss.

2.13. Employee benefits:

(i) Short-term employee benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. These benefits include salary, wages and bonus. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognised during the period of rendering of service by the employee.

(ii) Post-employment benefits:

Defined contribution plans

The Company has defined contribution plans for post-employment benefits namely Provident Fund which are recognised by the income tax authorities. The Company contributes to a Government administered provident fund on behalf of its employees and has no further obligation beyond making its contribution. The Company makes contributions to state plans namely Employee's State Insurance Fund and has no further obligation beyond making the payment to them. The Company's contributions to the above funds are charged to the Statement of Profit and Loss every year.

2.14. Provisions and contingencies:

Provisions: Provisions are recognised when there is a present obligation or constructive obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation.

Contingent Liabilities: Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

2.15. Earnings per share:

Basic EPS is computed by dividing the net profit attributable to shareholders by the weighted average number of equity shares outstanding during the year.

Diluted EPS is computed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the year-end, except where the results would be anti-dilutive.

2.16 Borrowings:

Borrowing Cost that are directly attributable to the acquisition/ construction of the qualifying asset are capitalised until the time all the substantial activities necessary to prepare such assets for the intended use are complete. All other borrowing costs are recognised as expenditure during the period in which they are incurred.

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed is recognised in profit or loss.

2.17. Foreign exchange transactions

The Company during the year did not have foreign exchange transaction.

2.18. Taxation

Income tax expense comprises current tax (i.e. amount of tax for the period determined in accordance with Income Tax Act, 1961) and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the period). The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantively enacted by the balance sheet date.

Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is a virtual certainty of realization of such assets. Deferred tax assets are reviewed as at each balance sheet date and written down or written up to reflect the amount that is reasonably / virtually certain (as the case may be) to be realised.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably, and it is probable that the future economic benefit associated with asset will be realised.

Current and deferred tax expense is recognised in the Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

2.19. The Company has not accepted any Public Deposits during the year under review and the Board of Directors have passed resolution to the effect that the Company has neither accepted Public Deposit nor would accept any public Deposit during the year.

Note-27**Risk Management**

Whilst risk is inherent in the Company's activities, it is managed through an integrated risk management framework including ongoing identification, measurement and monitoring, subject to risk limits and other controls. This process of risk management is critical to the Company's continuing profitability and each individual within the Company is accountable for the risk exposures relating to his or her responsibilities. The Company is mainly exposed to market risk, liquidity risk and credit risk. It is also subject to various operating and business risks.

The Board of Directors are responsible for the overall risk management approach and for approving the risk management strategies and principles.

The Company has a robust Risk management framework to identify, evaluate business risk and opportunities. This framework seeks to create transparency, minimize adverse impact on the business objectives and enhance the competitive advantage. The framework has a different risk model which helps in identifying risk trends, exposure and potential impact analysis at a company level.

a. Market Risk

The Company's Financial Instruments are exposed to market changes as are summarised below:

Foreign currency risk

The Company does not have any exposure to foreign currency. Hence, any fluctuations on account of foreign currency has not arisen.

Equity price risk

The Company is exposed to equity price risk arising from its investments in equity instruments. Equity price risk is related to the change in market reference price of the investment in equity securities.

Interest rate risk

The Company is not exposed to interest rate risk as it has borrowings at fixed rate of interest. There are no long term borrowings at floating interest rate which would affect the profitability of the Company due to fluctuation in interest rate.

b. Liquidity Risk

Liquidity risk is the risk that the Company does not have sufficient financial resources to meet its obligations as they fall due, or will have to do so at an excessive cost. This risk arises from mismatches in the timing of cash flows which is inherent in all finance driven organisations and can be affected by a range of Company-specific and market-wide events.

Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group, its associates and jointly controlled entities in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent

with the Consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these Consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated change in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the accounting Standards (IND AS) specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities is responsible for assessing the ability of the Group and of its associates and jointly controlled entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities is responsible for overseeing the financial reporting process of the Group and of its associates and jointly controlled entities.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and

obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and of its associates and jointly controlled entities to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and of its associates and jointly controlled entities to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group of which we are the independent auditors, to express an opinion on the consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit.

Materiality is the magnitude of misstatements in the standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in planning the scope of our audit work and in evaluating the results of our work; and to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or

regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our audit report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and further to the comments in "**Annexure A**" to Independent Auditor's Report on Standalone Financial Statements of Holding and Subsidiary Companies issued by us, we report that there are no qualifications or adverse remarks in these CARO reports.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Changes of Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2025 taken on record by the Board of Directors the Holding Company and the reports of the statutory auditors of its subsidiary companies, associate companies and jointly controlled companies incorporated in India, none of the directors of the Group Company, its associates companies and jointly controlled companies incorporated in India is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in "**Annexure A**".
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i). There were no pending litigations which would impact its consolidated financial position of the Group Company, its associates' companies and jointly controlled entities.

- (ii). The Group Company, its associates companies and jointly controlled entities has made provision, as required under the applicable law or accounting standards (IND AS), for material foreseeable losses, if any, on long term contracts including derivative contracts.
- (iii). There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company, its associates' companies and jointly controlled companies incorporated in India.
- (iv). The respective Managements of the Company and its subsidiaries which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or any of such subsidiaries to or in any other person or entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or any of such subsidiaries ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (v). The respective Managements of the Company and its subsidiaries which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company or any of such subsidiaries from any person or entity, with the understanding, whether recorded in writing or otherwise, that the Company or any of such subsidiaries shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (vi). Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us on the Company and its subsidiaries which are companies incorporated in India whose financial statements have been audited by us under the Act, nothing has come to our notice that has caused us to believe that the representations under sub-clause (iv) and (v) contain any material misstatement.
- (vi). The Company has not declared any dividend on equity shares during the year, however its subsidiary Company Precision Automotive Private Limited has declared and paid the agreed rate of dividend on its Cumulative Non-Convertible Preference Shares and the same is in compliance of Section 123 of the Companies Act 2013.

- (vii). Based on our examination which included test checks, the company and its group entities has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further during the course of our audit, for the period for which the audit trail facility had been operational during the year, we did not come across any instance of audit trail being tampered with and the management has represented that the audit feature cannot be disabled. Company has preserved the Audit trail as per the statutory requirements of records retention.

Annexure A to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of **RSD Finance Limited** (herein referred to as the "the Holding Company") as of 31 March 2025 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with Ind AS. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with Ind AS and that receipts and expenditures of the Company are being made only in accordance with authorizations of the Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

2.3. Use of estimates and judgments:

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amount of revenues and expenses for the years presented. Actual results may differ from the estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods affected.

2.4. Revenue Recognition:

The applicability of Ind AS 115, Revenue Recognition provides for a single model of accounting revenue from contracts with customers based on the identification and satisfaction of performance obligations.

Income and expenditure are accounted for on accrual basis, wherever ascertainable.

Dividend are recognised only when the right to receive is established

Interest Income is recognised as and when they become accrued.

2.5. Trade receivables:

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost less provision for impairment, if any.

2.6. Cash and cash equivalents:

Cash and Cash equivalents includes cash on hand, cheques and drafts in hand, balances with bank and deposits held at call with financial institutions. These do not include bank balances earmarked / restricted for specific purposes.

2.7. Investments and other financial assets:

(i) Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss),
- those measured at amortised cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income. The Company reclassifies debt investments when and only when its business model for managing those assets changes.

(ii) Measurement

Financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets (other than financial assets at fair value through profit or loss) are added to financial assets, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

-Debt Instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the group classifies its debt instruments:

Amortised cost:

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in other gain or loss using the effective interest rate method.

Fair value through other comprehensive income (FVOCI):

Assets that are held for collection of contractual cashflows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income FVOCI. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses and interest revenue are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised under other income. Interest income from these financial assets is included in other gain or loss using the effective interest rate method.

Fair value through profit or loss (FVPL):

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss is recognised in profit or loss and presented in the statement of profit and loss under other gain or loss in the period in which it arises. Interest or dividend income, if any from these financial assets is separately included in other gain or loss.

-Equity investments (other than investments in subsidiaries)

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments continue to be recognised in profit or loss as other income when the Company's right to receive payments is established. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other gain or loss in the statement of profit and loss.

-Equity Investments (in subsidiaries)

Investments in subsidiaries, associates and joint venture are carried at cost less accumulated impairment losses, if any.

(iii) Derecognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized.

Derivative financial instruments

The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

2.8. Financial liabilities

Classification: Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Initial Recognition and Measurement: Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss.

Derecognition: A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

2.9. Property, plant and equipment:

Property, plant and equipment are carried at cost of acquisition or construction less accumulated depreciation. The cost of fixed assets comprises of purchase price and all other attributable costs of bringing the assets to working condition for intended use.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the statement of profit and loss.

2.10 Depreciation:

On fixed assets, depreciation is provided on written down Value method. The rates of depreciation prescribed in Schedule II to the Companies Act, 2013, are considered as minimum rates.

Leasehold Land is not depreciated or amortized.

2.11. Trade and other payables:

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial period which are unpaid. They are recognised at their fair value.

2.12. Impairment of non-financial assets

At the end of each reporting period, the Company reviews the carrying amounts of its assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the statement of Profit and Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the statement of Profit and Loss.

2.13. Employee benefits:

(i) Short-term employee benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. These benefits include salary, wages and bonus. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognised during the period of rendering of service by the employee.

(ii) Post-employment benefits:

Defined contribution plans

The Company has defined contribution plans for post-employment benefits namely Provident Fund which are recognised by the income tax authorities. The Company contributes to a Government administered provident fund on behalf of its employees and has no further obligation beyond making its contribution. The Company makes contributions to state plans namely Employee's State Insurance Fund and has no further obligation beyond making the payment to them. The Company's contributions to the above funds are charged to the Statement of Profit and Loss every year.

2.14 Provisions and contingencies:

Provisions: Provisions are recognised when there is a present obligation or constructive obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation.

Contingent Liabilities: Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

2.15. Earnings per share:

Basic EPS is computed by dividing the net profit attributable to shareholders by the weighted average number of equity shares outstanding during the year.

Diluted EPS is computed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the year-end, except where the results would be anti-dilutive.

2.16 Borrowings:

Borrowing Cost that are directly attributable to the acquisition/ construction of the qualifying asset are capitalised until the time all the substantial activities necessary to prepare such assets for the intended use are complete. All other borrowing costs are recognised as expenditure during the period in which they are incurred.

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed is recognised in profit or loss.

2.17. Foreign exchange transactions

The Company during the year did not have foreign exchange transaction.

2.18. Taxation

Income tax expense comprises current tax (i.e. amount of tax for the period determined in accordance with Income Tax Act, 1961) and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the period). The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantively enacted by the balance sheet date.

Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is a virtual certainty of realization of such assets. Deferred tax assets are reviewed as at each balance sheet date and written down or written up to reflect the amount that is reasonably / virtually certain (as the case may be) to be realised.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably, and it is probable that the future economic benefit associated with asset will be realised.

Current and deferred tax expense is recognised in the Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

- 2.19.** The Company has not accepted any Public Deposits during the year under review and the Board of Directors have passed resolution to the effect that the Company has neither accepted Public Deposit nor would accept any public Deposit during the year.
